Definition of a Group - A group consists of 20 or more adult lift tickets with the same start date (tickets will not work prior to the date you have given us). We will provide you with an electronic order form to submit at least 14 days prior to arrival date. An invoice will be sent outlining the order to reconfirm your needs. Payment must be made with a single check, payable to Aspen Snowmass or with a credit card. Pricing is subject to change.

Group Activities - Our Group Sales department is available to help groups plan, organize and make the most of their time in Aspen Snowmass. Be sure to take advantage of the following opportunities:

- Learn to Ski or Snowboard / Ski or Snowboard with a Pro
- Private dining at on-mountain cabins
- NASTAR and fun races
- Mountain Picnics
- Video and photo services

Mountain Advantage Savings (MAS) – Enjoy savings at Four Mountain Sports and participating on-mountain restaurants as well as select programs with Ski & Snowboard Schools of Aspen Snowmass with a valid group lift ticket. The group lift ticket must be presented at time of purchase to receive the discount.

Ticket Extensions – Individual guests with a multi-day lift ticket may purchase one additional day of skiing at the discounted Extension Rate by bringing their fully-used group ticket to any Aspen Snowmass ticket window. Guests may purchase within the expiration period of the initial ticket only. No commission is given on ticket extensions. Extensions may be purchased by individual group members only.

Ticket Validity – Paid tickets are valid only for the dates the group is in resort. When completing the order form, please specify arrival and departure dates for the group. **Tickets will not work prior to the arrival date you have given us and will expire on departure of group.**

Refunds - Totally unused tickets will be refunded at the net price paid, after the group has departed. **Unused tickets must be received by Group & Tour Services within two weeks after the group’s departure.** All refunds must be directed through the group leader or third party who purchased the tickets. No refunds will be made to individuals, with the exception of in-resort credit (Aspen Snowmass Guarantee). If a group lift-ticket order drops below 20 tickets due to refunds, Aspen Snowmass may adjust the lift ticket rates. Refunds will be processed by Group & Tour Services as time allows, but no later than May 1, 2021. **Aspen Snowmass lift tickets are non-transferable and cannot be resold.**

Aspen Snowmass Guarantee – Our guarantee allows guests to take advantage of our great savings without risk. We guarantee guests have nothing to lose, even if they do not use all their days by providing the opportunity to return partially-used lift tickets, **within 14 days of expiration**, and receive an in-resort credit toward future Aspen Snowmass purchases. When unused days on lift tickets are put into an in-resort account, guests receive monetary credit of the per day price of the unused days. Guests have the current season plus the season immediately following to use their in-resort credit. This credit may be used toward purchases of lift tickets, season passes, ski and snowboard school tickets, and toward rentals at Four Mountain Sports. Credit is not valid on merchandise purchases or at restaurants. In-resort credit is transferable; guests simply need to inform Aspen Snowmass who will use the credit and we will put it in their name.

The ticket orders and payment (single check or credit card) **MUST** be received 14 days prior to arrival. **An expediting fee will be applied to any order received inside 14 days of arrival as well as any additions to original order.** Group lift tickets will not be issued to individuals.
